

Mobile Payment Acceptance Anywhere, Anytime

Provide any merchant with the industry's most complete Mobile Payment Solution for Apple® (iOS), Android™, BlackBerry®, Windows Mobile® and JME™ mobile devices. Integrated with all the major payment processors, CHARGE Anywhere's award-winning Mobile Payment Solution allows your merchants the freedom to process credit card and ACH payments anywhere their business takes them. Included with the solution is our PA DSS Payment Gateway, ComsGate®, Transaction Manager and a Free Virtual Terminal for keying in transactions.

Merchant Benefits:

- ✓ Increase sales by accepting card payments anywhere
- ✓ Lower processing fees with 'card present' transactions
- ✓ Reduce transaction risks and data entry errors
- ✓ Avoid costly wireless terminals
- ✓ Get paid quicker and improve cash flow

Turn Phones and Tablets into Credit Card Terminals
