

# Xaminer™ MD Verifier Series

## Xaminer MD

## Easiest Way Yet to Eliminate Errors

### Bar Code Verification In a Simple integrated Unit

Making sure your bar codes are scannable is a crucial part of your business. Avoid mistakes, damaged customer relationships, or even costly penalties. Stratix makes verification easier and more accurate than ever, with new Xaminer™ MD series Bar Code Verifiers. Whether you must verify One Dimensional or Two Dimensional (PDF417) symbologies, there's a new Xaminer™ MD model that's right for your business - and your budget!

### It's Easy to Be Accurate!

The Xaminer™ MD 1000 and Xaminer™ MD 2000 Bar Code Verifiers from Stratix give you the industry's highest quality bar code verification for either One Dimensional or PDF417 bar codes – all in a single unit. The laser scanner is built right in. No more cables to snag or cords to tangle!

### Upgrade On-Line

As your verification needs become more sophisticated, so can your Xaminer™ MD Verifier. Automatically update your MD's software through your PC's Internet connection, or upgrade via email with our unique Stratix Software Loader.

### Easy Calibration

Stratix makes calibration easier than ever. Send your verifier back to us for an annual recalibration and refurbishment, or we'll send you a special test target (for Xaminer MD software Version 1.0 and later) so you can conduct a calibration check on your Xaminer™ MD Verifier in just minutes, right at your worksite.

### Protect Your Investment

Stratix offers three distinct Verifier Service Agreement Plans, so you can choose the level of protection that's right for you.

Choose from a Platinum, Gold, or Silver Service Agreement for just the right level of protection.

For instance, purchase a Platinum Level One Service Agreement and receive the following features:

- Lifetime Warranty Against Manufacturing Defects
- Unlimited Repair-12 Months Parts and Labor
- Free Annual Calibration
- Free Software upgrades
- Free Return Shipments
- A "Loaner" Verifier - One call and it's on its way

### Support After the Sale

Stratix always provides top-quality educational training after the sale. You can specify needed on-site training or training over the telephone, we'll make sure your team understands everything they need to know to get the most from your new Stratix verification system.
